Head of School Update

Welcome back to Academic year 2023 -2024,

It has been a busy and exciting start to the year with our building work underway to renovate and extend our kitchen and dining area and to create a state of the art medical room.

We have new pupils, families and new staff to welcome to our Venn Boulevard family. Our Proud Parents/Carers Coffee Morning will be Friday 29th September and we would love to welcome you for a cuppa and a chat and to see how your child is settling in and support the Macmillan charity.

Over the Summer we installed new playground equipment and safety flooring following consultation with the school council. This has been very well received by pupils, especially the covered seating area. KS3 pupils will be responsible for the planters and are currently planning what they want to grow!
