1. Introduction

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Venn sees attendance as more than just being physically present but also playing an active part in the entire school community and Trust.

Our Trust believes the foundation of securing good attendance is that our schools are calm, orderly, safe, and supportive environments where all our pupils will want to be and ready to learn. We understand that there are times when there can be barriers to good school attendance, and these can be complex in nature, but by building

strong respectful relationships with both children and families, we are confident that all obstacles can be overcome.

Good school attendance is key to academic success.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents> [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- <https://www.legislation.gov.uk/ukxi/2013/757/regulation/2/made>

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge

- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across schools]
- Holding the Principal to account for the implementation of this policy

Terry Johnson, Governor and Trustee is our link Attendance partner.

3.2 The principal

The principal is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Sending information to the Local Authority so they can issue penalty notices, where necessary in consultation with the Executive Principal.
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The principal and the attendance team are responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Identifying patterns in attendance and analysing data using Assembly Pro the Power BI element.
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues

- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The Attendance team consists of Sarah Sargieson, (Principal) Samantha Stockton (Deputy Designated Safeguarding Lead) and Megan Cook (Attendance and Welfare Officer).

3.4 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with the Local Authority to tackle persistent absence
- Advising the Principal on the attendance of pupils
- Informing the LA when enforcement pathways are needed

The attendance officer is Megan Cook and can be contacted via megan.cook@vennacademy.org

3.5 Class tutors

Class Tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office, this needs to be completed by 9.20am and 1.00pm. Class tutors have further responsibilities in that attendance is everybody's business and should contribute to the overall discussions with children and young people around absence and conduct return to school conversations enhancing the importance of attending school.

3.6 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on Arbour.
- Follow up on absence's which have not been reported.
- Record on Arbour the reason for absence.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every timetabled session on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with 2 emergency contact numbers for their child, this will be collated on admissions.

- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance agreements that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Megan Cook or Samantha Stockton who can be contacted via email.
megan.cook@vennacademy.org
samantha.stockton@vennacademy.org

3.8 Pupils

Pupils are expected to:

- Attend every day
- Attend all planned timetable sessions

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register. We will take our attendance register at the start of the first session of each school day and again in the afternoon if the child is expected to attend a full day. If attending half a day there will only be one mark. Marks will be completed using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts between 8.50am and 9.15am and ends at 3pm every day except a Thursday, on a Thursday the school day ends at 1.30pm.

Pupils must arrive in school by 9.15am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.20am. The register for the afternoon will be taken at 1.45pm and will be kept open until 1pm.

Procedures for power or network failure

In the event of the school network fails, manual attendance registers will be used for both morning and afternoon registration. Completed registers will be returned to the school office and uploaded to the system once the problem has been resolved.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible, by calling the school office staff, who can be contacted via 01482 585203.

The school will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

If the pupil is persistently absent from school, then further interventions will take place such as medical evidence, attendance panels and enforcement.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. This can be done by calling the Office or emailing the Principal or Attendance team.

However, the trust and school encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Parents will be aware of these dates and should give the school written notification in advance.

Part-time timetables

All compulsory aged children are entitled to a full-time education suitable to their age, aptitude, and special educational needs. Only in an exceptional circumstance, where it is the pupil's best interest, would a part-time timetable be considered. This intervention should not be used as an approach to manage pupil's behaviour.

If a part time timetable is authorised, the school must notify both the Trust's Director of Safeguarding plus the respective Local Authority. A period when the child is not in school, must be recorded as an authorised absence (Code C2).

All schools will ensure that the Designated Safeguarding Lead has been consulted, a risk assessment carried out and suitably robust arrangements are in place to ensure the ongoing safeguarding of any pupil on a part time timetable.

All part time timetables are regularly reviewed, and are only used for limited periods, after which the pupil is expected to return to full time. All part time timetables are recorded and monitored by the Local Authority.

Special Educational Needs & Disabilities (SEND)

The school will ensure 'reasonable adjustments' are made for pupils with additional needs (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities'). This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services. The school recognises that some pupils with additional needs may need support to attend regularly and that, for some pupils, they may have more absence due to their disability, for example due to attending medical appointments. The school will ensure that pupils are not penalised for absence related to their additional needs and will support access support from external agencies where appropriate.

Alternative provision

Schools are responsible for the safeguarding and welfare of pupils educated off-site. Where this is the case, they will have reciprocal arrangements in place with the alternative provider to ascertain attendance information. This should be provided daily. All unexplained and unexpected absences will be followed up by the home school in a swift and timely manner.

The school will use the appropriate code (B) to indicate that the child is accessing alternative provision, thus demonstrating the school has confirmed that the education is supervised, and appropriate measures are in place to safeguard children.

Bullying / harassment

Our schools do not condone bullying or harassment by pupils, members of staff or parents.

If any form of this behaviour occurs, it will be dealt with as a very serious matter. No one should feel they cannot attend school for fear of being bullied or harassed.

Child criminal exploitation and child sexual exploitation

Children who go missing or are persistently absent from school may be an indicator of exploitation, especially if other key factors are also present.

Some other potential signs of criminal or sexual exploitation are:

- missing from home and /or being found out-of-area
- unexplained acquisition of money, clothes, or mobile phones
- excessive receipt of texts / phone calls and/or having multiple handsets
- relationships with controlling / older individuals or groups
- leaving home / care without explanation

- suspicion of physical or sexual assault / unexplained injuries
- parental concerns
- carrying weapons
- significant decline in school results / performance
- gang association or isolation from peers or social networks
- self-harm or significant changes in emotional well-being.

At Venn Academy Trust we monitor absenteeism daily to ascertain pupil's whereabouts to ensure they are safe from harm. We will work endlessly with all statutory and non-statutory agencies, including parents/carer to protect any child at risk or at possibly risk of this form of abuse.

If a class teacher or tutor is concerned about a child who is regularly absent and presents with any of the signs listed above, they must inform the Designated Safeguarding Lead immediately, as per the school's Child Protection policy.

Young carers

The school recognises that pupils who are Young Carers may have caring responsibilities that impact on their punctuality and/or attendance. Where this is the case, the school will work with the pupil and family to encourage them to access appropriate support, including direct support from Young Carers and any other support the pupil and family may need; the school will also provide support in school where appropriate.

Education neglect

Educational neglect involves the failure of a parent or caregiver to enroll a child of mandatory school age in school or provide appropriate homeschooling or needed special education training, thus allowing the child or youth to engage in chronic truancy. Education Neglect also involves the failure of the parent to ensure their child attends school regularly.

Signs of educational neglect may include:

- *Habitual absenteeism from school (an average of five days a month, for example) and no attempts from the parent or guardian to change this pattern
- *Failing to homeschool, register or to enroll a school-age child, causing the child to miss at least one month of school without valid reasons
- *Refusing to allow or failing to obtain recommended remedial education services
- *Not obtaining or following through with treatment for a child's diagnosed learning disorder or other special education need without reasonable cause
- *The ongoing failure to provide a child with the resources and environment they need to learn.

4.4 Following up on unexplained absences

Where any pupil we expect to attend school does not attend, or stops attending without reason, Venn Boulevard Centre will:

- Call the parent/carer on the morning of the first day of absence to ascertain the reason. If no contact can be made the emergency contacts on the admissions forms will be called. **If no contact can be made the school will conduct a home visit.**
- Pupils seen - Identify if the reason for absence is to authorise or not.

- Identify the correct attendance code to use and input it as soon as the reason is offered.
- Call the parent/carer on each day that the absence continues. If the absence continues the school will organise a meeting, all stakeholders will be invited and there may be support and involvement needed from the LA following this policy.
- If contact cannot be made a text message will be sent to the parent/carer asking them to notify school by 2pm of the absence.
- **If no text is received for a child CLA or CP, a further home visit will be carried out, if there is still no answer for the unexplained absence it will be reported to the non-emergency Police and all stakeholders, e.g. Social Care, Dual Registered School.**

4.5 Following up on absences

- If a pupil is absent from school due to an authorised reason, e.g. illness. A home visit will still be carried out every 3 days. Venn Boulevard Centre staff team will need to see the child to follow their safeguarding procedures; even if this is a wave through the window!
- If a child has an EHCP, is Child Protection, Child in Need or is CLA the child will be visited daily where possible and when agreed with the Senior Leadership team.

4.6 Lateness and punctuality

A pupil who arrives late without a valid reason, e.g. transport will receive a late mark.

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: [issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate]

4.7 Reporting to parents

Venn Boulevard Centre reports weekly to parents/carers. This is formally written up in end of Term reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Principal will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad

- > Attending an interview
- > Study leave
- > A temporary, time-limited part-time timetable
- > Exceptional circumstances

A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for.

Exceptional circumstances at Venn Boulevard Centre refers to rare, significant, and unforeseen situations that warrant a pupil's authorised leave of absence. These circumstances are typically beyond the pupil's or their family's control and may include, but are not limited to:

1. **Medical emergencies:** Serious illness or injury requiring immediate and/or ongoing medical attention that cannot be scheduled outside of school hours.
2. **Bereavement:** The death of a close family member or loved one, necessitating time off for funeral arrangements and grieving.
3. **Family crisis:** Critical situations within the family unit, such as severe illness of a family member, divorce proceedings, or other significant personal matters requiring the student's presence.
4. **Legal obligations:** Mandatory court appearances, immigration proceedings, or other legal matters that cannot be rescheduled.
5. **Unavoidable transportation issues:** Significant disruptions in travel due to unforeseen events such as natural disasters or severe weather conditions.
6. **Other compelling reasons:** Unique or extraordinary events that are assessed on a case-by-case basis by the school's administration.

For a leave of absence to be authorised under exceptional circumstances, appropriate documentation and a formal request must be submitted by completing the Exceptional circumstance form (See appendix) and return to the principal. Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence. The principal may require evidence to support any request for leave of absence.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Other valid reasons for **authorised absence** include (but are not limited to):

- > Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- > Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart

- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Principal will refer the case of poor attendance to the Local authority. The Local Authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school refer to the Local Authority to issue a penalty notice the school will liaise with the Local Authority prior to doing this.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil, whether it is in the public interest to refer to the Local Authority
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent of who has the day to day care who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the Local Authority may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

The school's strategies for rewarding and improving attendance include individual rewards and certificates for 100% attendance and improved attendance as well as group awards. Improved attendance is also celebrated in weekly assemblies and postcards are sent home to families.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Improving attendance for pupils facing complex barriers relies on all stakeholders to have a holistic and collaborative approach. Venn Boulevard Centre works closely with families to address obstacles by maintaining open lines of communication and

creating individualised health support plans tailored to each pupil's medical needs. Strategies to remove in-school barriers include providing a flexible curriculum integrating therapeutic support, and ensuring a nurturing and inclusive environment. Venn Boulevard staff collaborate to monitor and adapt these plans to suit evolving needs.

At Venn Boulevard Centre we are committed to supporting pupils with complex barriers to attendance guided by the ATTEND framework. Many of our pupils arrive with a history of low attendance in mainstream education, often due to multifaceted challenges such as mental health issues, family circumstances, or socio-economic factors.

The ATTEND framework provides a structured methodology to address these challenges. Each ATTEND Framework comprises three assessment forms:

1. for education professionals working within a local authority children's workforce;
2. for students; and
3. for parents or carers

7.2 Pupils absent due to mental or physical ill health or SEND

Venn Boulevard Centre demonstrates a comprehensive approach to supporting students absent due to mental or physical ill health or SEND, aligning with the ATTEND Framework.

Venn Boulevard Centre prioritises early intervention by advising and engaging with parents/carers as soon as attendance concerns arise. They treat each case individually, recognising the unique needs of students with SEND or health issues. The school tends to these needs through a range of in-house support mechanisms, including the Barnardos WRAP (Wellness Recovery Action Plan) programme and Life Coach interventions. These programmes nurture students' emotional well-being and resilience, crucial for maintaining good attendance.

Venn Boulevard Centre also dedicates resources to external support, making referrals to relevant mental health services when necessary. This multi-agency approach ensures Pupils receive comprehensive care tailored to their specific needs.

A key aspect of their support strategy is the explicit teaching of Executive Functioning skills. This is particularly important for students with SEND or mental health challenges, as these skills are crucial for self-regulation, organisation, and time management. By developing these skills, pupils are better equipped to manage their health conditions, cope with academic demands, and maintain consistent attendance.

The school's holistic approach, combining in-house support, external referrals, and skill development, demonstrates their commitment to supporting all students, regardless of their health or SEND status, in maintaining optimal attendance and engagement with education.

Sources:

1. Working together to improve school attendance (DfE, 2024)

2. Summary of responsibilities where a mental health issue is affecting attendance (DfE, 2023)

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Venn Boulevard Centre supports a child returning to the setting after a long period of absence through a carefully structured reintegration plan. This plan begins with a thorough assessment of the child's current medical, emotional, and academic needs, conducted in collaboration with healthcare professionals, the child's family, and previous educators. Venn Boulevard Centre creates a personalised schedule that gradually increases attendance, allowing the child to acclimate at a comfortable pace. Providing one-on-one support from a designated member of staff or a Life Coach to help the pupil navigate any anxiety or stress related to returning. In-class adaptations, such as modified timetables, ensure the pupil can engage without feeling overwhelmed. Additionally, peer support programs can foster a sense of belonging and community. Regular meetings will be organised with the family to keep them informed and involved, ensuring any emerging issues are promptly addressed. Offering a nurturing and adaptive environment, Venn Boulevard Centre facilitates a smooth transition back to regular attendance and ongoing academic success.

8. Attendance monitoring

Venn Boulevard Centre meticulously monitors attendance using Assembly Pro a comprehensive digital tool designed to track and analyse pupils' attendance patterns. This system allows Venn Boulevard Centre to record daily attendance with precision, noting specific reasons for absences and identifying trends over time. It provides real-time data, enabling staff to quickly detect any emerging attendance issues and intervene promptly. The tracker also offers customisable reports, which can be used during regular review meetings with families and healthcare providers to discuss the child's progress and address any barriers to attendance. Additionally, the system integrates with other educational and medical records, ensuring a holistic view of the child's situation. This detailed monitoring supports the development of targeted interventions, fosters accountability, and ensures that every child's attendance is closely managed to promote consistent engagement and academic success.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

Venn Boulevard Centre will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Develop with parents and carers robust attendance contracts. (appendice 2)
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Class Tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including the SENCO, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence

- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above) following the Local Authority school attendance pathway and referring to the Local Authority where appropriate.
- Letters will be sent home, and meetings will be organised with the attendance team and also the Principal.

9. Intervention strategies

- Attendance is a key priority for all our schools which is actively monitored to ensure we are providing the right support at the right time for any pupil who may be encountering barriers to good attendance.
- We treat every pupil individually and understand that each case may take a different route depending on the barriers, needs of the family and any other circumstances which may be impacting regular attendance.
- Our approaches are supportive and use legal interventions as a last resort.
- Below is the basis of our intervention pathway, but schools should use their professional judgement at each stage and consider all mitigating factors.

100 - 96%

Attendance levels are good or excellent
 Positive encouragement/incentives/rewards offered by the class teacher/form tutor to maintain high levels of attendance.
 Home visits or telephone calls on day of absences

96%= 2 weeks (10 days) missed school

96 - 94%

Attendance levels start to show signs of concern
 If a pupils attendance starts to fall, or there are regular incidences of lateness, the school will have a telephone call with the parents or carers or send a letter to inform of this which includes the attendance certificate for the pupil. A referral to universal services may be made which could include the school nurse/GP.
Attendance Letter template 1

95.4% = 2 weeks (10 days) missed school

94 - 90%

Attendance levels causing further significant concern
 When attendance drops to this level, parents/carers, and if appropriate the pupil, will be invited to attend a meeting at the school with the Attendance Officer or a member of the Senior Leadership team. The meeting will focus on addressing barriers to good attendance using the Trust agreed framework. An agreed early intervention support plan will be introduced which could also include an attendance contract. Close monitoring will continue in order to assess impact. A referral could be made into universal services or a more targeted early help approach to support emotional wellbeing. Emotionally based school avoidance work may commence.
 A letter will be sent to parents/carers to inform that their child's attendance is approaching them becoming a persistent absentee.
Attendance contract and Attendance Letter template 2

92.5% = 2 weeks, 4 days (14 days) missed

90 - 85%

Attendance levels do not improve
 If the pupil's attendance shows no signs of improvement, or deteriorate further, a Team around the family meeting will be held in school. The meeting will assess previous attendance strategies, and this may involve input from the Local Authority. Consideration for referrals to external services may be considered such as Youth Justice, School nurse, MHST, etc.
 Attendance at this stage will be monitored closely and it may be appropriate for the Local Authority to issue a notice to improve. This will be discussed with the Local Authority attendance team.
Attendance template letter 3

90% = 3 weeks, 4 days (19 days) missed school

85 - 80%

Attendance levels have not improved, and unauthorised absence continues
 Where all the above measures have not proven successful, the school attendance champion will discuss the case with the Local Authority to determine whether a penalty notice should be issued.
 However, work will continue with the pupil, parents, and any other agency to consider any further reasonable adjustments.
 A referral to services such as Children's social care may be considered for more specialist level 4 support although, this can feature at any time if needed throughout this graduated response. A referral to specialist agencies such as CAMHS may be considered at this level if appropriate.
Attendance template letter 4

The above graduated response is a guide and aims to serve as early intervention, however there may be some circumstances where this will not apply to all children and young people due to individual circumstances.

10. Legal intervention

Our schools will endeavour to work with families to prevent any legal action being taken. We will always ensure that sufficient time is given to allow any strategy the opportunity to be successful. We will use the principles set out in *Working together* to improve school attendance.

14. Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively in partnership with, not against families. All partners should work together to:

Expect

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

Monitor

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

Listen and understand

When a pattern is spotted, discuss with pupils and parents to listen to and understand barriers to attendance and agree how all partners can work together to resolve them.

Facilitate support

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

Formalise support

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through an attendance contract or education supervision order.

Enforce

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the pupil's right to an education.

However, in situations where no improvements are made, despite best efforts, or there is a lack of engagement, the school will consider using legal interventions before proceeding to penalty notices or prosecutions.

Attendance Contracts	<p>Attendance Contract is a formal written agreement between a parent and either the school or local authority to address irregular attendance at school or alternative provision. An attendance contract is not legally binding but allows a more formal route to secure engagement with support where a voluntary early help plan has not worked or is not deemed appropriate. An attendance contract is not a punitive tool, it is intended to provide support and offer an alternative to prosecution. Parents cannot be compelled to enter an attendance contract, and they cannot be agreed in a parent's absence.</p> <p>There is no obligation on the school or local authority to offer an attendance contract, and it may not be appropriate in every instance, but an attendance contract should always be explored before moving forward to an education supervision order or prosecution.</p>
Notice to improve	<p>A Notice to Improve is a final opportunity for a parent to engage in support and improve attendance before a penalty notice is issued. If the national threshold has been met and support is appropriate but offers of support have not been engaged with by the parent or have not worked, a Notice to Improve should usually be sent to give parents a final chance to engage in support.</p> <p>Notice to Improve are issued in line with processes set out in the Local Code of Conduct for the local authority area in which the pupil attends school.</p>
Penalty Notice	<p>Penalty notices are issued to parents as an alternative to prosecution where they have failed to ensure that their child of compulsory school age regularly attends the school where they are registered.</p> <p>The threshold for considering a penalty notice is 10 sessions (5 days) of unauthorised absence in a rolling period of 10 school weeks. This can be met with any combination of unauthorised absence (e.g. 4 sessions of holiday taken in term time plus 6 sessions of arriving late after the register closes all within 10 school weeks) or can be consecutive (e.g. 10 sessions of holiday in one week). The 10 school weeks can also span different terms or school years. (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).</p> <p>Only two penalty notices can be issued to same parent in respect of the same child within a 3-year rolling period. *</p>
Attendance Prosecution	<p>Prosecution in the Magistrates Court is the last resort where all other voluntary and formal support or legal intervention has failed or where support has been deemed inappropriate in the circumstances of the individual case. Where it is decided to pursue prosecution, only local authorities can prosecute parents.</p>

The first penalty notice issued will be charged at £160 if paid within 28 days but reduced to £80 if paid within 21 days. A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160. A third penalty notice cannot be issued to the same parent in respect of the same pupil within 3 years of the date of issues of the first. In these circumstances alternative action may be taken, including other attendance legal interventions, or prosecution.

Aggravated Prosecution (4441a)

If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, their parent is guilty of an offence.

Section 444(1A) of the 1996 Act goes on to state:

If in the circumstances mentioned in subsection (1) the parent knows that their child is failing to attend regularly at the school and fails to cause them to do so, they are guilty of an offence.

An aggravated prosecution will follow the process after an aggravated offence. In some circumstances it may be in the best interest of the child to go straight to an aggravated prosecution. This could be if;

- Parents have had enforcement in the past
- The school can strongly evidence a parent has failed to have their child attend school
- To ensure there is no drift and delay the non-attendance needs to be reflected in the seriousness of the offence.

- We advise that you do not plan for your child to be absent from school without gaining prior agreement from their school first. Principals cannot retrospectively authorise absence from school under any circumstance.
- Any disagreement between estranged parents should be resolved prior to submitting this request to your child's school.

- Please note under section 576 of the Education Act 1996 it defines a parent as a '*parent*' includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility for or care of the child
Therefore, a PN can be issued to 'stepparent' if they reside at the same property and attended the holiday.

Absence from School for Exceptional Circumstances Information for Parents

There is no longer a provision in law for Principals to authorise an absence for the purpose of a term time holiday.

You are required under the Education Act (1996) to ensure your child attends school regularly. This has been defined by the Supreme Court as 'in accordance with the rules prescribed by the school' meaning attending every occasion available unless authorised by the Principal. There is, however, discretionary power held by Principal to authorise absence in exceptional circumstances. Please note this is **not an entitlement**. The Principal will only authorise absence in line with the Local Authority Behaviour & Attendance Partnership 'Absence from School for Exceptional Circumstances' Policy. Principals will not authorise absences if they believe it is to the detriment of a child's education. **Please note that supporting documents to aid decision making must be submitted at the time of your request for absence.**

Any unauthorised absence will be recorded on your child's attendance records. This may result in legal proceedings against you, either through a Penalty Notice or the Magistrates' Court.

Penalty Notices

Under the Anti-Social Behaviour Act (2003), the local authority and schools have statutory powers to tackle poor school attendance and/or unauthorised absences. An unauthorised absence is any absence that the principal has not given permission for

or where an explanation has not been provided by the parent. If your child accrues 10 sessions of unauthorised absence, you may be liable for a penalty notice (one day's absence equals two sessions, and a five-day absence is equal to 10 sessions etc.).

Penalty Notices will be used as a deterrent to prevent a pattern of unauthorised absences developing. They will be issued by post direct to the home of a parent after possibly just one warning, or in the case of absences without acceptable cause, warnings may not be given. This includes pupils caught on truancy sweeps, persistent late arrival after the close of registration **or unauthorised absence that has not been authorised as an absence from school for exceptional circumstances**. In these cases, the warning is given on the absence request form and detailed within this information leaflet, and no written warning will be given. Where parents do not follow school procedures of submitting a request and simply remove their child without seeking prior approval, a warning may not be given. Parents must complete a request for exceptional leave form and submit this to the school, allowing for sufficient time to enable the school to consider the request and inform the parent of the decision.

Fines are issued for unauthorised absence of 5 or more days, and each school day is divided into 2 registration periods. **For example, if your child is absent for one day this equals 2 sessions, and a five-day absence is equal to 10 sessions.**

- If your request is declined and you take your child out of school, each person with day-to-day care of the child(ren) may be issued with a £160 penalty notice if paid within 28 days. This would be reduced to £80 if paid within 21 days. If after 28 days the fine remains unpaid you may be summoned to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.
- Where it is deemed appropriate to issue a second penalty notice within 3 years of the first penalty notice, the second penalty notice will be charged at a flat rate of £160 if paid within 28 days. If after 28 days the fine remains unpaid you may be summoned to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.
- If a third penalty notice referral is received within a 3-year period, a further penalty notice fine cannot be issued and legal action will be considered.

Support and guidance on attendance is always available and if you have any questions about this, or if you need help to achieve an improvement, please contact your child's school to discuss this.

We advise that you do not plan for your child to be absent from school without gaining prior agreement from their school first. Principals cannot retrospectively authorise absence from school under any circumstance.
